MAKING OUR FESTIVAL SAFE FOR EVERYONE

General Information

Dear Festival Goer,

As you know we need to adhere to strict guidelines in order to make our Festival a safe place for you to visit during these extraordinary times.

We hope you will be able to comply with these guidelines so that we can make the best possible environment for our gem of a festival.

The upside is that we are keeping the numbers very small so you will have loads of time with your favourite artists.

Before the Festival

1. Please purchase your ticket in advance. There will be no facility to buy it at the venue as we will not be handling cash.
2. An up-to-date contact number must be provided when buying tickets, in order to assist with contact tracing in the event that a confirmed case of COVID-19 arises. This will be shared with our partner venues for the sole purpose of adhering to HSE guidelines on contact tracing.
3. Please let us know if you are feeling any of the symptoms of Covid 19 in the week leading up to and on the occasion of the festival itself. If you are we would respectfully ask you not to attend.
4. Please provide us with your Vaccine Certificate as soon as possible so that we have it on file before the commencement of the festival.
5. If you are exempt from wearing a mask please send us a letter from your doctor otherwise you will be required to wear a mask at all indoor the events.

During the Festival

1. We ask that you arrive at the venue at least 15 minutes before the event starts. Latecomers may only be admitted at the discretion of management. In some cases, you may be expected to queue outdoors before accessing the venue so please consider the weather before you travel.
2. Seating will be assigned to you at all indoor events. If you are travelling in a group please notify us in advance of the number in your party so that we can put you into the same 'Festival Pods'.
3. Please have a facemask and hand sanitiser with you. Sanitising Stations will be provided but we want to take every precaution possible.

And Most of all ...

We want you to have a brilliant time in a **safe** environment so that you will be booking your 2022 ticket as you leave. Thank you for your understanding and for helping us to make this a Covid 19 Compliant Event
